**BEIJING FAR BLUE OCEAN
IMPORT & EXPORT CO.,LTD**

COMPANY PROFILE

BEIJING FAR BLUE OCEAN IMPORT & EXPORT CO., LTD engages in the safety products area. Such as the helmets, safety shoes, gloves, safety vests, coveralls and so on....We have our own shoe factory and some other cooperative factories in China.

Now our company devotes itself to becoming a whole safety products industrial chain, one-stop procurement platform. And we show the best products, the best service and the most professional purchase experience.

Our safety products have more than 20 categories. We have certificates most products, such as CE, ANSI, CSA and CA..... Therefore the quality is reassuring.

Rooted in honesty, high-quality products and efficient service, our company has lots of old clients in many countries. Such as Europe, America, Africa.Middle East, Australia, Asia....

We're glad to establish the business relations with the clients all over the world.Cooperating with us will make us win-win.

WATER PROOF, OIL RESISTANCE, WIND PROOF

SHELL FABRIC: Shell: 94% polyester 6% spandex +TPU
Product Description:
 This high-performance workwear combines 4-way stretch fabric with triple-protection functionality (waterproof, oil-resistant, and anti-static), offering maximum flexibility and safety for demanding industrial environments.
Key Features:
 4-Way Stretch Technology
 Allows unrestricted movement in all directions (up/down/left/right), reducing fatigue during prolonged wear.
 Triple-Protection Properties

FBO-3FN02

Waterproof: Repels liquids with a durable coating (e.g., PU or TPU membrane).
Oil-Resistant: Resists oil-based stains for easy cleaning.
Anti-Static: Meets ANSI/ESD standards to prevent static buildup in sensitive areas.
Durable & Comfortable
 Reinforced stitching at stress points (knees, elbows).
 Breathable mesh lining for temperature regulation (optional).
Safety Compliance
 Reflective strips (EN ISO 20471 certified) for high visibility.
 Flame-retardant options available (EN ISO 11612).
